INDEPENDENT AUDITORS' REPORT

Board of Directors
Miami Rescue Mission, Inc. and Subsidiary
Miami, Florida

We have audited the accompanying consolidated financial statements of Miami Rescue Mission, Inc. and Subsidiary, which comprise the consolidated statements of financial position as of June 30, 2013 and 2012, and the related consolidated statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Miami Rescue Mission, Inc. and Subsidiary
Miami, Florida

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Miami Rescue Mission, Inc. and Subsidiary as of June 30, 2013 and 2012, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Consolidated Financial Statements

June 30, 2013 and 2012

1. NATURE OF ORGANIZATION:

Miami Rescue Mission, Inc. (MRM), a Florida nonprofit corporation, is a charitable, interdenominational, evangelical, Christian agency providing spiritual, physical, and social services to the poor and needy, including homeless men, women, and children. Its purposes are fulfilled through several centers in Miami-Dade and Broward counties.

History: founded in 1922, MRM is one of the oldest and largest providers of vital services to the homeless and needy in the south Florida community. Until 1993, the primary geographical focus for its services and ministry was Miami-Dade County. Broward County was looking for solutions to their homeless problem and looked to MRM for assistance. This was the beginning of the Broward Outreach Center (BOC). BOC was launched, providing basic temporal relief to homeless individuals in the south Broward community through leased and owned property. A permanent Hollywood facility (the Center) was completed in 1997, providing the first emergency shelter and comprehensive recovery program for the homeless in the southern portion of the county. This Center is owned by MRM. The Center provides 90 beds for males including 39 transitional spaces for graduates to prepare for external housing. In the northern portion of the county, Broward County constructed a 200-bed facility in Pompano Beach. Due to the success of the Center, MRM was chosen to operate the programs and facility. The Pompano Beach facility held its grand opening in September 2002. Broward County owns this facility. Over the years, it has been expanded to include 239 beds to those in need. This includes men, women, and children.

The Hollywood Center for Women and Children was opened in August of 2004, and is located adjacent to the initial Center. It is owned by MRM and is designed to provide services for 45 women (either single or with children). Programs include parenting skills development, computer literacy, education, job placement, budgeting, and assistance with housing.

In Miami-Dade County, there are two residential centers, the Center for Men and the Center for Women and Children. A nonresidential Miami Community Activity Center provides a preventative program for 'at risk' children and youth.

The Center for Men provides 245 beds for programs, which include emergency services, long-term care, and transitional housing. Approximately 190 men per day are involved in an 8 - 14 month intensive program of education, counseling, discipleship training, career preparedness, and job entry called the Regeneration Program. There is also a program for Hispanics that are challenged by the English language called Vida Cambiadas (changed lives). On average, an additional 250 to 350 men per day are provided with a shower, change of clothes, and dinner.

1. NATURE OF ORGANIZATION, continued:

The Center for Women and Children is a 40-bed facility that serves homeless women and single mothers with small children. A comprehensive program is designed to equip the women to become successful, contributing members of society through classes in anger management, computer education, work skills training, and biblical principles. Those with children are instructed toward becoming loving, supportive mothers to their children through coping and parenting skills. Various volunteers provide special classes in financial management and other practical personal skills including social skills and dressing for the work place.

In November 2001, the Miami Community Activity Center (CAC) was opened to provide preventative programs for adjoining neighborhood children and youth. The goal is to prepare children to become successful in life and to prevent the next generation of homeless. There is a Day Charter School (Center of Life Academy) which provides educational classes for approximately 130 children from first to twelfth grades. There have been three high school graduations. Out-of-school and summer programs are provided to nearly 150 children. Nearly 500 different children have been assisted during the year at the CAC.

The Miami Jeffrey A. Tew Education Center houses the Innovative Computer Learning and Career Development departments which are utilized by all Miami residents. This was started in 1997 and has the capacity to help people learn to read (or improve their reading skills) and obtain their high school diploma. Reading, writing, and arithmetic are the subjects of focus. Along with the educational component, students also learn vital computer skills and common office applications.

MRM operates a thrift store named the Bargain Barn. There are two stores that provide merchandise for sale such as clothing, appliances, furniture, bric-a-brac, etc. Donated items are picked up by their fleet of trucks. Many donated items are put into direct use by the various centers (furniture, paint, clothing, and appliances); the remaining items are sold to help fund the programs. The Bargain Barn also accepts donated cars and other motor vehicles. Those that are not used in the ministry are auctioned off on the first Saturday of the month and provide revenue for various programs. The Bargain Barn is also a place to help train residents for future employment.

The centers in Miami, Hollywood, and Pompano hold special events throughout the year to care for the homeless and needy as well as a tool to engage the homeless into their residential programs. These include the Great Thanksgiving Banquet (nearly 2,500 served for Thanksgiving), Thanksgiving in April (nearly 2,000 served), Bombastic Birthday Party, and many other activities for men, women, and children. Volunteers provide many wonderful and valuable services from serving meals, doing special drives, becoming mentors or tutors, dress for success, personal makeovers, special work days to improve the facilities, and so much more.

1. NATURE OF ORGANIZATION, continued:

MRM began two radio programs in 2009. Mission Possible: The Good News Program, launched in August of 2009. It is an hour long program on Sunday mornings from 8 AM to 9 AM on WIOD 610. This is a large station that reaches from Palm Beach to Monroe County. This program highlights what is good in the community and includes interviews with other non-profit agencies, businesses, individuals, or organizations, that are doing good things. The program also highlights their residents (personal testimonies), their staff, and special events at their centers.

Life-Changers was started in September 2009. This is a half hour program which airs three days a week from 9:30 PM to 10:00 PM on a Christian talk station, WHIM 1080. The format is similar to Mission Possible but geared for the faith community. In addition, it is broadcast on Radio Luz on Sunday at 8:30 AM.

These radio programs have been well received by listeners, have raised awareness of their centers, and have brought new donors to MRM (individuals, companies, places of worship, etc.).

During 2009, MRM began its external transitional housing program. This program is designed to provide their graduates the next step in integrating fully into society. MRM now owns nine properties (five in Broward County, four in Miami-Dade County). Graduates for this program are selected based on merit and need. They pay fees for living in the units and this is another stream of revenue for MRM programs. MRM has concentrated on purchasing distressed properties and utilizing their staff and clients to renovate them. MRM desires to increase the number of units and seeks additional funding from present donors or other resources.

More than 12,000 people provided over 80,000 hours of volunteering this past year. These included individuals, schools, organizations, and places of worship. The combined centers serve nearly 1,100 men, women, and children each day. Last year, MRM/BOC provided over 860,000 meals, 340,000 nights of safe-shelter, over 190,000 hours of educational assistance, over 6,000 hours of counseling, and helped nearly 700 men and women entering the job market.

MRM acquired a building adjacent to the Miami Center for Men in March 2011. It is anticipated that this building will be used to provide an additional 76 transitional beds for men in the residential program. Part of the building will be utilized for offices and meeting areas.

MRM completed a two year creative process to help better define the mission and vision of MRM/BOC. This included meetings with the Board, senior management, volunteers, supporters, and all staff. This produced new vision, mission, and values statements.

Vision : No One is Homeless

MIAMI RESCUE MISSION, INC. AND SUBSIDIARY

Notes to Consolidated Financial Statements

June 30, 2013 and 2012

1. NATURE OF ORGANIZATION, continued:

Mission : Transform the lives of homeless men, women, and children through comprehensive residential programs to effect lasting change and empower them to be productive members of society. We provide food, shelter, substance abuse treatment, education, computer literacy, job placement, healthcare, spiritual development, and housing with Christian love, compassion, and encouragement.

Values : Compassion, Hope, Restoration, Transformation

Miami Mission Association, Inc. (MMA) is a Florida nonprofit corporation. MRM assumed the operation of MMA's women's and children's center beginning on July 1, 1993. MMA is exempt from income taxes under Section 501(c)(3) of the Code and comparable state laws. MMA is also classified as a publicly supported organization, which is not a private foundation under section 509(a)(2) of the Code. Contributions to MMA are deductible for income tax purposes.

Both MRM and MMA (collectively referred to as the Organization) receive the majority of their support from Florida individuals, corporations, churches, foundations, civic organizations, thrift store sales of donated items, and governmental grants. The ministry is not affiliated with any church denomination but seeks to represent the church in its mandated service to the poor among us.

2. SIGNIFICANT ACCOUNTING POLICIES:

The Organization maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States. The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the balances and financial activities of MRM and MMA. All significant intercompany transactions and balances have been eliminated from the consolidated financial statements.

CASH AND CASH EQUIVALENTS

For purposes of the consolidated statements of cash flows, the Organization considers cash on hand, bank checking accounts, money markets and certificates of deposit with original maturities of three months or less to be cash and cash equivalents. The Organization maintains its cash and cash equivalents in bank deposit accounts, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on cash and cash equivalents.

MIAMI RESCUE MISSION, INC. AND SUBSIDIARY

Notes to Consolidated Financial Statements

June 30, 2013 and 2012

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENT

Investment consists of a certificate of deposit recorded at cost. Investment income, which consists of interest and dividends, is included in unrestricted investment income in the accompanying consolidated statements of activities.

INVENTORIES

Inventory is valued and reported at estimated fair market value. There is no reserve for obsolescence recorded at June 30, 2013 and 2012, as all inventory is considered sellable at market value.

GRANTS RECEIVABLE

Grants receivable consist primarily of BOC project costs incurred but not yet reimbursed.

PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost, or if donated, at estimated fair value and useful life at the date of receipt. Items purchased with governmental funds greater than \$750 are capitalized and depreciated over their estimated useful lives. All other nongovernmental purchases of property and equipment greater than \$1,000 are capitalized and depreciated over their estimated useful lives. Gifts of property and equipment are reported as unrestricted support unless explicit donor restrictions specify how the assets are to be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent any donor stipulations, these restrictions expire when the asset is acquired or placed in service, and a reclassification is made from temporarily restricted net assets to unrestricted net assets at that time.

Depreciation is provided over the estimated useful lives of the assets on a straight-line basis. Generally, these lives are as follows:

Buildings and improvements	15 - 31.5 years
Vehicles and equipment	4 - 5 years

CLASSES OF NET ASSETS

The consolidated financial statements report amounts by class of net assets:

Unrestricted net assets are currently available for operations under the direction of the board, designated by the board for a specific use, or invested in property and equipment.

Temporarily restricted net assets are contributed with donor stipulations for specific operating purposes or programs, with time restrictions, for the acquisition of property and equipment, or not currently available for use until commitments regarding their use have been fulfilled.

MIAMI RESCUE MISSION, INC. AND SUBSIDIARY

Notes to Consolidated Financial Statements

June 30, 2013 and 2012

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

CLASSES OF NET ASSETS, continued

Permanently restricted net assets are those which are contributed with donor restrictions requiring that they be held in perpetuity with the investment income earned to be used to fund scholarships. Assets funding these agreements are included as part of cash and cash equivalents. The disclosures required by the *Reporting Endowment Funds* topic of the Financial Accounting Standards Board Accounting Standards Codification have not been included in the consolidated financial statements due to immateriality.

SUPPORT, REVENUE, AND EXPENSES

Revenue is reported when earned and support when contributions are made, which may be when cash is received or unconditionally promised or when ownership of donated assets is transferred to the Organization. Bequests are reported as support at the time the Organization has an established right to the bequest and proceeds are measurable. Grants are reported when services are rendered and billed to the appropriate agency. Gifts-in-kind consists primarily of donated food, clothing, and general merchandise used in the Organization's operations. Sales of donated items consist primarily of vehicle and thrift store sales. Gifts of cash and other assets are reported as restricted revenue if they are received with donor stipulations that limit their use or that must be used to acquire long-lived assets. When a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released for satisfaction purpose restrictions.

Expenses are reported when incurred. Gifts-in-kind expenses are reported in the accompanying consolidated statements of functional expenses, primarily as supplies and other services, as well as specific assistance to individuals.

GIFTS-IN-KIND AND CONTRIBUTED SERVICES

The ministries of the Organization could not be fully achieved without the dedicated efforts of many volunteers. Churches, synagogues, businesses, clubs, youth groups, students, and individuals give of their time and talents to help the homeless. They serve meals, conduct chapel services, tutor children, teach classes, and help maintain the facilities. The reporting of these contributed services is regulated by three different, often conflicting standards. None of these contributed services are reported as revenue and expenses on the IRS form 990.

However, in accordance with generally accepted accounting principles (GAAP), reported in the consolidated financial statements are services volunteered by licensed or credentialed professionals, volunteering services in their fields of specialization. These have been reported in the amounts of \$198,047 and \$997,484 for the years ended June 30, 2013 and 2012, respectively.

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

GIFTS-IN-KIND AND CONTRIBUTED SERVICES, continued

The Organization also reports the value of below market rentals on facilities as contribution revenue. For both years ended June 30, 2013 and 2012, \$1,920,000 was reported as part of gifts-in-kind support for these facilities. All the client services facilities are owned by the Organization except the Pompano Beach facility. It was built and is owned by Broward County and leased to the Organization for \$1 a year. This lease agreement can be canceled with a sixty day notice.

FUNCTIONAL ALLOCATION OF EXPENSES AND JOINT COSTS

The costs of providing the various program services and supporting activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the program services and supporting activities that benefited from those expenditures. The Organization incurred no joint costs. All costs associated with publications are charged directly to fund-raising.

ADVERTISING EXPENSES

The Organization uses advertising to communicate the needs it has to the general public. Advertising costs are expensed as incurred. Advertising expense for the years ended June 30, 2013 and 2012, was \$229,082 and \$358,134, respectively.

UNCERTAIN TAX POSITIONS

The financial statement effects of a tax position taken or expected to be taken are recognized in the consolidated financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the consolidated statements of activities. As of June 30, 2013, the Organization had no uncertain tax positions that qualify for recognition or disclosure in the consolidated financial statements.

The Organization files information tax returns in the U.S. and various states. The Organization is generally no longer subject to U.S. federal and state tax examinations by tax authorities for years before 2009.
